- All 10 tours, six workshops, two and a half days of talks, and the reception were well attended.
- A total of 174 international participants registered for the meeting, representing 25 countries.
- Talks from 43 presenters covered a range of topics from new methods for housing daguerreotypes to the ethics of reprinting contemporary photographs to mentoring emerging professionals.
- The Photographic Materials Group celebrated its 40th anniversary with an illustrated presentation on its history. Happy Birthday, PMG!
- The meeting reached audiences all over the world through social media using #PMGPMWG19. Please visit Facebook, Twitter, and Instagram to see highlights from the week.
