

Local guide

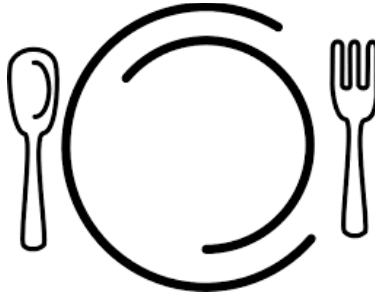

Distances from the conference hotel noted in parenthesis. A Google map with the local locations pinned is available [here](#) (day trips not included).

Airport to the hotel

The Jacksonville International Airport has a [webpage](#) dedicated to ground transportation options. In addition to taxis (average fare ~ \$40 & 20 min ride, depending on time and traffic) there are also ride share services such as Lyft and Uber.

Plus, there is also a very good public transportation option! [Bus no. 1](#) travels between the airport and downtown and takes about 1 hr. You can catch the bus at the airport's lower level, next to baggage claim. Ride the bus 39 stops and get off at the Newnan St. & Forsyth St, stop. The conference hotel is only a 3 minute walk from the bus stop going south on Newman St. The bus runs daily from 05:30 to 23:30 and only costs \$1.75 one way. You may pay your fare using exact change on the bus or you may purchase a ticket from a vending machine at the bus stop.
